Dear Prof. E.I. Thalassinos

General Editor and Founder of Europen Research Studies Journal,

I am interested in publishing our paper entitled "Consequences of Going Concern Opinion for Financial Reports of Business Firms and Capital Markets with Auditor Reputation as a Moderation Variable: An Experimental Study".

We sincerely hope that our paper will be published in the Europen Research Studies Journal.

Thank you for your attention.

Kind regards

Dody Hapsoro and Tulus Suryanto
To: Dody Hapsoro and Tulus Suryanto,

Dear Colleagues,

With this letter I would like to inform that your common paper titled “Consequences of Going Concern Opinion for Financial Reports of Business Firms and Capital Markets with Auditor Reputation as a Moderation Variable: An Experimental Study” has been received in our submission platform in proper form.

The Scientific Committee will evaluate the manuscript for possible publication in a future issue of ERSJ. We will inform you when the decision has been made.

Thank you for considering the European Research Studies Journal as a possible outlet for your research.

Yours sincerely,

Prof. E.I. Thalassinos
General Editor and Founder
To: Dody Hapsoro and Tulus Suryanto,

Our correspondence: AS/ERSJ/20163009/01

Dear Colleagues,

On behalf of the Scientific Committee of ERSJ I would like to inform you that your manuscript titled “Consequences of Going Concern Opinion for Financial Reports of Business Firms and Capital Markets with Auditor Reputation as a Moderation Variable: An Experimental Study” has been evaluated positively.

To proceed further we kindly ask you to verify the proposed corrections and make the modifications as described in the evaluation report.

The Scientific Committee will evaluate the revised manuscript again for possible publication in a future issue of ERSJ.

Thank you for considering the European Research Studies Journal as a possible outlet for your research.

Yours sincerely,

Prof. E.I. Thalassinos
General Editor and Founder
